INVITATION

January 26, 2010

We are pleased to invite your Federation to the 18th annual Whistler Cup, FIS International children's ski races for boys and girls born in 1995 to 1998. We welcome our new title sponsor, Rio Tinto Alcan and thank them for their generosity.

The races will take place April 09-11, 2010 at Whistler, North America's premier ski resort and official venue for all alpine ski events for the 2010 Olympic Winter Games

The Whistler Cup is North America's leading international children's ski event. Last year, close to 400 racers from 20 countries participated, providing some of the best competition in the world for the K1 and K2 age class alpine ski racers. Many of the athletes chosen by their federations to compete here in the past will be returning as competitors in the 2010 Olympic Winter Games.

Your federation's representatives will be guests of the organizing committee from the date of their arrival on Wednesday Apr 7th until their departure on Monday April 12th.

A copy of the preliminary Program and Race Rules are attached for your information. It would greatly assist us if you could indicate to us as soon as possible if your Federation is planning to send a team to our event and return your entry and information forms no later than March 15th, 2010.

We look forward to hosting your team for 5 days of friendship, fun and competition.

Sincerely,

Lynne Hume
